## Choose the program that's right for your school

### Options for Activities

- One time visit during school hours
- One time visit after school
- Sessions over a period of weeks same students
- Sessions over a period of weeks different students each week
- Once a month program

### Family Activities

- Hold a Family Night at the school, give choices ahead have families sign up in advance

### Fund Raisers:

- Do any activities for students from above ideas but add extra charge to Claytime's price and use for the school.
- Students decorate items to be sold at an auction during a fund raiser activity

### Projects

- Choose from a variety of pottery pieces for example: Tiles, plates, bowls, mugs, platters, figurines, banks, holiday items etc.
- Stuffed animals

**We will work with you to design a program to meet the needs and budget of your school.**
