We bring all the fun to you!

We offer a great field trip program where your group can experience the fun of painting pottery.

Let us show you how to create functional and fun art your group will treasure for years.

We bring all the pottery, paints, brushes and materials needed for the event.

There will be at least one Claytime staff providing instruction and directions.

Paint washes off all surfaces and clothing and is non-toxic.

Just provide us a space with tables, chairs and access to water for painting and clean up.

We will kiln fire the pottery and return your items wrapped and labeled to your facility within 2 weeks.
